Meet the Teacher!

Miss E Peterson

Dear Year 4,

My name is Miss Peterson, and I will be your teacher next year. I am looking forward to helping you continue your learning journey at FCJ and to help you prepare for Upper Key Stage Two. I am extremely passionate about making learning interactive, engaging, and exciting. I specialise in Mathematics and have a strong passion for English. I love the outdoors and I enjoy creating opportunities for children to become successful learners. Next year will be my sixth year at FCJ. This year, I have worked very closely with the English lead in working on the new spelling cards. I am so excited to continue sharing my love of English with you and to help you develop your punctuation, reading and spelling.
