Meet the Teacher!

Miss K Megaw

Dear Year 5,

My name is Miss Megaw and I am thrilled to be teaching you next year through your Year 5 journey. I look forward to spending a super week with you and getting to know you more. I am passionate about helping you to become more inquisitive through your learning and want to ensure that everything is made fun to enable you to have a positive mind-set.

This is my sixth year teaching at FCJ, and I have taught in Years 2, 4 and 5. I lead PE for the school and enjoy teaching children Netball at after school club. Outside of school, I enjoy reading, baking and exploring the cliff paths around our beautiful Island.

I am really looking forward to getting to know you and your parents as you start your journey in Year 5.

I hope you all have a wonderful summer break!
