Meet the Teacher!

Miss S Whitt

Dear Year 1,

Hello 1W, my name is Miss Whitt, and I am delighted to be your Year 1 teacher. I am excited to spend time with you all this week as you transition into Key Stage One. I have been teaching for eight years, six at FCJ, this is my second year in Year 1. Mrs Ferdinando and I have lots of exciting topics planned and creative opportunities for you.

I have been teaching Computing in Reception this year, so it is lovely to already know how wonderful you all are. I am going into my second year as Computing Co-ordinator and I look forward to teaching you about new technology and using this to support your learning. I work with lots of children across the school as I oversee the School Development Squad and Digital Leaders.

In Year 1 we ensure we plan a smooth transition from Reception by creating play-based tasks which develop into cross curricular activities. I will support you through new challenges and help you to grow as a learner.

I hope you all have lots of fun over the summer and come back rested. I look forward to seeing you all again in September. Please feel free to come and see me if you have any questions.
