Nativities' 2022

Nativity Special

The 'elves' have also been very busy in Santa's workshop, dressing up, wrapping gifts, and writing Christmas cards. I'm sure that Santa has appreciated all their hard work at this busy time!

Our Vision

Inspired by the Gospel and true to Marie Madeleine's founding ideal, our vision is that FCJ is a community of personal and academic excellence. Strong in companionship, the unique giftedness of every person in this faith community is recognised, nourished and celebrated.

Our hope and expectation is that, through God's grace working in us all, each young person grows into their best self, with zest for life and the generosity and confidence to use their talents and gifts for the service of others.

Pre-School

In Pre-School this year we welcomed our parents into our classroom for a festive afternoon. We sung them some songs, played our instruments and even remembered a poem with actions. Christmas is a very special time at FCJ and we were able to learn all about the season of Advent and the advent wreath, each child made their own advent promise. We also learnt all about the very special Christmas story and the birth of God's son, Jesus.

RECEPTION – BUSY, BUSY BETHLEHEM BY NIKI DAVIES

CHRISTMAS PRODUCTION 2022

Bethlehem is busy, busy, busy with preparations for the day of the approaching census. Watching the excitement and directing the crowds is a little soldier sent to Bethlehem by Caesar Augustus. He loves to organise everybody and thinks that nothing could be more important than being in charge. So when Mary and Joseph arrive late, the little soldier is initially very cross, but something changes and he can't understand why. He forgets all about organising – could it be because a very special baby is about to be born?

News, news, read all about it! There is a great excitement in heaven when The Angel Express newspaper announces that Jesus, the Son of God, is about to be born. The angels decide to learn a song for the big event to welcome the very special baby into the world, but there's not much time and there's a lot of practising to do! Between rehearsals, the newspaper gives updates of Mary and Joseph, the kings, the shepherds and the great big star and everyone knows that Jesus will be born very soon, but will the angel choir be ready in time
