## End of Day Collection

The end of the day is very busy, especially in the back playground.

Once you have collected your child from their classroom, please ensure you walk around the edge of the school until near your car/leaving by the side of the school. Please do not cut across the infant playground, as cars are being parked or leaving at this time.

If parked, please remember to turn hazard lights on to indicate that you are ready to leave. As you drive towards the barrier, you may be asked to wait to enable pedestrians' safe access and exit along this route. Please do be mindful that our youngest children, as well as the Key Stage 2 bus children, use the crossing in front of the minibuses on a daily basis; you may also be asked to wait at this junction until it is safe to continue through the barrier.

Please park where directed. There is a system that we use for parking cars and we appreciate your cooperation in making the end of day collection as safe as possible. Please collect your child and return to your car promptly, to enable other users to park their cars. Please Also Remember DRIVE AS SLOWLY AS POSSIBLE.

# IF YOU WERE AN ENGINEER

2023

We have had another successful year in Design and Technology this year at FCJ. As a school we took part in the national competition 'If you were an engineer, what would you do?' We have been extremely successful again this year and are delighted to inform you that we are a winning school. FCJ had nine designs, which were selected by the judges as either a highly commended or winning designs. This is a huge achievement as we understand the grading this year was particularly tough and 48,000 children and young adults entered this national event. The children of the winning designs and their families were invited to an awards event on Thursday 8th June 2023 at Highlands Great Hall to receive their awards. We had 3 winners and 6 highly commended students. There were children from a number of schools on the Island including primary, secondary, as well as colleges. Children from 3 years to 19 year olds took part. There were 2 winners from each year groups from each region. On the evening there was also a surprise "Judges Award". We are very proud to announce that this award was awarded to Freya in year 6 for her SEG design. She was selected by all the judges for her outstanding design.

# IF YOU WERE AN ENGINEER

2023

Last year Tyler's design 'The Electric Pram' was selected by Kingston University to be built into a prototype and was unveiled at the awards ceremony. It was lovely to see his design come to life. Tyler's design will be showcased for the next couple of years at various events. This was a huge achievement, as 34,000 children from the Channel Islands and the UK took part in this national competition. As a school we are very proud of all the children who took part, as well as our talented winners! A special congratulations goes to Tyler in Year 6 and Freya in Year 6 for their outstanding designs and success. We look forward to entering again next year!

# FRIDAY FUN FESTIVAL

A huge thank you to the PSA and the Charity Committee for their hard work at the Friday Fun Festival. The adults have worked extremely hard to consider which stalls would be successful for the festival and supported these stalls on the day of the event. Thank you for your commitment.

## CONGRATULATIONS!

**Congratulations to the pupils who have  
received these awards.**

**We are very proud of you all!**

## JUNIOR PARKRUN

Children and staff from FCJ were invited by Junior Parkrun to launch their weekly running event. It is a 2km route around the harbour. This takes place each week and encourages children to be more active. FCJ staff were marshals around the course and supported all the children who were running! Great fun was had by all and lots of children want to now take part each week. Mr Cardwell led the warmup for the children, before they completed the running route.

## GAELIC FOOTBALL

In Year 6, the children have been taking part in some Gaelic Football sessions during PE this term. The children have been training for a tournament, which took place at the beginning of June. The children thoroughly enjoyed learning some new skills. Some of the children have been having so much fun, they are now taking part in the Gaelic Club on a Thursday evening at Grainville. Well done to all the boys and girls that took part in the tournament at Springfield. It was a very hot day but all the children had great competitive spirit!

KEALAN AND CARA BOTH COMPLETE THE KIDS TRIATHLON. IT WAS LOVELY SEEING THE WAY THE 3Y KIDS SUPPORTED EACH OTHER ON THE DAY. GREAT FCJ VALUES! THE VISTRA KIDS' TRIATHLON CELEBRATED ITS 10TH YEAR IN 2023. THE EVENT TOOK PLACE ON SATURDAY 10 JUNE 2023 AT LES QUENNEVAIS SPORTS AND LEISURE CENTRE BETWEEN 11:00 - 17:00. WELL DONE TO EVERYONE WHO COMPETED!

#### ATHLETICS CHAMPIONSHIPS

Some children in Year 5 and 6 were picked to represent FCJ in the Athletics Championships at FB Fields, to compete against children from other Jersey primary schools. All of the children taking part should be very proud of themselves, as they were out of their comfort zones whilst representing their school. Children were selected to either compete in running, hurdles, throwing or relay events. Mr Cardwell and Mrs Bisson were proud to see the children not only demonstrate sporting excellence, but also companionship towards each other, when competing in their races.
