Dear Parents and Guardians

Welcome to FCJ Primary School.

The purpose of this booklet is to give you as much information as possible in order to facilitate your child's transition into our school.

There is a separate Data Check List and Permissions Booklet, enclosed with this starter pack, which contains a list of all the consents we require from you. Please sign this and return to school.

Please keep this Information Guide so that you can refer to it if needed.

It is a legal requirement that we see your child's original Birth Certificate. We kindly ask, if you have not already done so, that you bring the original certificate to school, so that it may be photocopied. Please also ensure that we have received your child's Baptism Certificate, if applicable.

We will do all we can to ensure your child is happy, safe and thrives during their time with us, at FCJ.

As you become an important part of the FCJ Family, we hope you will make many happy, and endearing memories.

Thank you for your co-operation.

*Donna Lenzi*  
**Headteacher**

### Morning and Afternoon Parking:

- Parking is available at the top car park at Grainville. Please remember this is a states owned carpark. You will need to display your time of arrival and, as the car park is very busy at these times, to park within the lines and in consideration of other users. When walking to and from school, please keep to the path and ensure your child walks with you.
- **Under no circumstances should you park outside Grainville School or on the roundabout.**
- **Under no circumstance should you leave your car on the roundabout/next to the main entrance**

### Afternoon Parking:

Our school rear school playground opens at 2:40 pm daily, you will be directed to a parking space by a member of staff. To use this car park, please display the coloured laminated disc, located in your starter pack, on your dashboard.

- A green disc will be allocated to parents who have a child in Foundation Stage and KS1. We ask that parents who hold a green disc, **arrive for parking at the back playground from 2:45 pm.**
- A yellow disc will be allocated to parents who have a child in KS2. We ask that parents who hold a yellow disc, **arrive for parking at the back playground from 3:05 pm only.**
- Please note, if you have a child in FS, KS1 and KS2, you will only receive a **yellow disc.** This system prioritises parents with children in FS and KS1, as our younger children are dismissed (10 minutes) earlier than KS2, giving parents a clear, safer exit from the playground.
- We kindly ask all parents to arrive at the allocated disc times. Cars displaying a yellow disc, which arrive before 3:05 pm, will be unable to park and will be asked to drive through and exit the playground in order to re-join the queue.
- When you are ready to leave, please turn on your hazard lights and wait until you are directed to reverse, or leave your space, by a member of staff.
- Please keep your hazard lights on as you drive very slowly through the playground, this will help staff ascertain which cars are leaving the playground and which cars need to park.
- May we also respectfully ask that parents walking to their cars with children, stay close to the building and use the coned pathway provided.
- Please ensure you abide by the 5mph speed limit on FCJ/Grainville site.

FS and KS1 parents collecting at the earlier time are respectfully asked to show consideration for other parents waiting to park and collect their children, please exit the playground as promptly as possible to enable waiting cars to enter.

Each family will be provided with two discs of the same colour. We ask that parents ensure the disc is clearly displayed on their dashboard before entry to the playground and that any family members or friends who regularly collect are provided with a disc and an explanation of this system. If you require extra discs, please contact the School Office.

For all information relating to the drop-off and collection of children at FCJ, please refer to the Early Arrival and Late Collection Policy which can be found on our website: <https://www.fcj.sch.je/school-policies/>

**If you have arranged for another person to collect your child at the end of the school day, please let your child's teacher and the School Office know in advance.**

# MEDICAL POLICY AND HEALTH CARE PLANS

Health Care Plans should be completed and sent to school prior to medication being brought into school, if:

- Your child requires any ongoing medical care or has any allergies and their medication needs to be kept in school.
- Your KS2 child has a temporary illness which requires medication during the day. Please note that we do not have cold storage facilities for medicines and any medication must come to school **in a single dose - in an appropriate named container - that your child can take by themselves.**

If your child is in Foundation Stage or KS1 and has a temporary illness requiring medication during school hours, you will need to make arrangements for their medication to be taken before or after school, alternatively, you may arrange to meet your child in the school reception area to administer the medication personally.

Health Care Plans can be obtained from the School Office or downloaded from our website.

If you are returning to Jersey, or moving to the Island for the first time, you will also need to complete a 'Movement into Jersey Medical Form'. This form can be obtained from the School Office.

## MEDICAL SCREENINGS

Jersey Health and Social Services offer the following screening/vaccination programmes, consent forms for these are sent in due course, once dates have been agreed with the various health departments (please note that, depending on your child's start date, some of these screenings may have already taken place):

- Whole school dental screening.
- Visual screening (Reception and new starters up to Year 3)
- Height and weight measurements for children in Reception and Year 6 with an added hearing test for Reception children only. Health and Social Services has now adopted an opt out policy for this screening, therefore, your child will be seen by the school nurses unless you have indicated otherwise. More information regarding this will be sent out to you in due course.
- Whole school flu vaccine administered via nasal spray.

# LEAVE DURING TERM TIME

The information on the States of Jersey website regarding leaving during term time is as follows:

*'The Education Department does not support (holiday) leave during term time.*

*You do not have the automatic right to withdraw your child from school. You must request permission in advance from your school's Headteacher. You must make a strong case to justify your Headteacher's decision to allow your child to be away from school during term time.*

*Your child's absence from school will disrupt the continuity of their learning.'*

If requesting leave please use the appropriate Absence Request Form which can be obtained from the School Office or downloaded from our website.

Please see the following chart demonstrating the impact absence from school has on your child's learning time.

### How much learning have you missed?

Attendance during one school year	Equates to days absent	Which is approximately	Which means the number of lessons missed
94%	10 days	2 weeks	60 lessons
90%	19 days	4 weeks	120 lessons
85%	29 days	6 weeks	180 lessons
80%	38 days	8 weeks	240 lessons
75%	48 days	10 weeks	300 lessons
70%	57 days	11.5 weeks	345 lessons
65%	67 days	13.5 weeks	405 lessons

# REPORTING ABSENCES

If your child is going to be absent due to illness, you must inform the school on the first day of your child's absence and keep the school updated on subsequent days. There is a dedicated telephone line to leave a message or you can send an e-mail to [admin@fcj.sch.je](mailto:admin@fcj.sch.je). Please leave your child's name, their class and the reason for the absence.

**Please also note that there is a 48-hour exclusion from school for children who have vomited or who have had diarrhoea.**

If your child has a medical appointment, please leave a message on the office voicemail or send an e-mail to [admin@fcj.sch.je](mailto:admin@fcj.sch.je). Please remember to indicate your child's full name and class. **A copy of the appointment letter is also required for our records.**

For Pre-school children, please refer to the Absence/Sickness Policy in the Pre-school Handbook, as a continuous absence may affect your Nursey Education Funding.

## GENERAL INFORMATION

- There are limited places for the Morning and Extended Day Clubs.
- Our Morning and Extended Day Clubs are registered. Parents can request confirmation of fees paid for tax purposes.

- We kindly ask that you keep a list of your bookings (obtainable from your ParentMail payment history), and check that you have booked the correct dates. We will not be in a position to accept children whose parents have made incorrect bookings.
- **Children must not be dropped off for Morning Club before 8:00 am**, as no supervision is provided until 8:00 am. If arriving earlier, an adult must stay with the child until a member of staff comes on duty.
- If your child is in the Extended Day/Wrap Around Clubs, we kindly ask that you collect your child promptly by 5:30 pm. Please note that due to the regulatory requirements of the EDC licence, all children must have left the premises by 5:30pm.
- If a pupil is not collected by 5:25pm, a member of EDC staff will contact the parents to ensure that parents/guardians are on their way to collect their child/ren. They will also follow the above.

It is not to be used to call to advise you are running a few minutes late, **(please note that calling will not exempt a parent from any late charges).**

- The booking procedure is similar to online shopping. Please see instructions on how to book in the ParentMail section of this booklet.
- The booking system for KS1 and KS2 Clubs becomes available at the end of every half term. You will receive a ParentMail notifying you of the date and time for these bookings.
- If you find that you cannot book a session, this is either because the Club is full, or you have already booked the session. You can check this by looking at your payment history.
- Staff who facilitate the Clubs are retained based on the number of bookings received. Because of this, bookings are not transferrable; refunds are only offered in exceptional circumstances and at the School Business Manager's (SBM)'s discretion on a case by case basis. Requests must be made in writing to the SBM, e-mail address [s.joynt@fcj.sch.ie](mailto:s.joynt@fcj.sch.ie).
- Refunds or credits/transfers will not be offered in the event of school closures/reduced service - (whether due to inclement weather, industrial action, pandemic or any other reasons).
- We appreciate that sometimes bookings are made in error, however FCJ is invoiced for every transaction, including refunds; there is also an administrative cost for

- By using the Morning and Extended Day Clubs, you are agreeing to the Terms and Conditions set out above.
- **Removal from EDC's**  
Parents/guardians may be required to remove the child temporarily or permanently if the conduct of the child is unacceptable and it appears to the Headteacher/EDC Manager that the continued presence of the child is incompatible with the interest of the club/s.

The child will also forfeit their place at the club if the parent/guardian is persistently rude to any member of FCJ Staff. There will be no refund of fees in these circumstances.

For all information relating to the drop-off and collection of children at FCJ, please refer to the Early Arrival and Late Collection Policy which can be found on our website: <https://www.fcj.sch.je/school-policies/>

# AFTER SCHOOL ACTIVITY CLUBS

We are the only school on the Island in which all teachers offer two terms of After School Activity Clubs. The number and variety of clubs on offer is testament to the dedication of our staff. clubs run by FCJ staff are over and above their normal teaching duties and are only available thanks to their goodwill. The choice of year groups and Club days is based on staff availability and will change from term to term, to allow our children to experience new skills and activities.

These clubs are available to book at the beginning of each term on ParentMail. You will receive an e-mail to advise you of this. Please be aware that our After School Activity Clubs always prove extremely popular and the majority sell out very quickly. We understand this can be frustrating, but it is simply not possible to schedule enough Clubs to cope with the overall demand. Please remember that we also have our Extended Day Club for wrap around care.

In addition to FCJ led clubs we also have external coaches who provide other clubs, such as Guitar and Kick Boxing, which are booked directly with the provider.

# INTERNET SAFETY

## USE OF THE INTERNET AND E-MAIL

As part of FCJ's Computing programme, we offer pupils supervised access to the internet.

Our curriculum encourages pupils to learn about how to use the internet in a safe way, making use of the wide range of information available. They also learn to communicate and collaborate through an awareness of their digital behaviours. Esafety and digital citizenship is taught through Computing lessons and within our Jigsaw lessons. FCJ takes a range of measures to minimise risks to children. This includes content filtering and 'Impero' (which restricts content to any inappropriate materials). All children know what to do if they are concerned about anything they see online. Children have the right to be protected from harm (Article 19) whilst also having access to reliable information (Article 17).

At FCJ, all Key Stage 2 pupils use Google Classroom both in class and for homework. This is a fantastic tool which promotes engagement in learning and is helping our pupils become proficient in the technological world in which we live.

Although internet use is supervised and filtered at FCJ School, families should be aware of the 12 rules below::

### Keeping Safe; Stop, Think, Before You Click!

#### 12 Rules for Responsible ICT Use

These rules will keep everyone safe and help us to be fair to others.

- I will only use the school's computers for schoolwork and homework.
- I will only delete my own files.
- I will not look at other people's files without their permission.
- I will keep my login and password secret.
- I will not bring files into school without permission.
- I will ask permission from a member of staff before using the Internet and will not visit Internet sites I know to be banned by the school.
- I will only e-mail people I know, or my teacher has approved.
- The messages I send, or information I upload, will always be polite and sensible.
- I will not open an attachment, or download a file, unless I have permission or I know and trust the person who has sent it.
- I will not give my home address, telephone number, send a photograph or video, or give any other personal information that could be used to identify me, my family or my friends, unless my teacher has given permission.

- I will never arrange to meet someone I have only ever previously met on the Internet or by email or in a chat room, unless my parent, guardian or teacher has given me permission and I take a responsible adult with me.
- If I see anything I am unhappy with or I receive a message I do not like, I will not respond to it but I will tell a teacher/responsible adult.

## Conditions

I accept that ultimately, the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using an educationally filtered service, along with Impero, employing appropriate teaching practice and teaching e-Safety skills to pupils.

I understand that the school can check my child's computer files, and the Internet sites she/he visits, and that if there are concerns about her/his e-Safety or e-behaviour, the school will contact me.

I will support the school by promoting safe use of the Internet and digital technology at home and will inform the school if I have any concerns over my child's e-Safety.

# VIRTUAL REALITY HEADSETS

## KS2 ONLY

Thanks to the fundraising efforts of our amazing PSA, we have purchased some VR headsets which will enhance and bring alive the school curriculum.

- The headsets will only be used for approximately five minutes at a time.
- The use of headsets will be dependent on curriculum content.
- The teachers will monitor the users and the content.
- The use of headsets is optional.
- Children can also view the content on the teacher's hand-held device or on the classroom screen.

In order to give your consent **please sign the relevant box in the Data Check List and Permissions Booklet.**

# ONLINE ASSESSMENTS

For these online assessments, please complete the appropriate sections on the Data Check List and Permissions Booklet.

## School Tracker Software

In order to support the learning of our pupils, we use school tracker assessment software which assists in the assessment of your child's performance and enables us to monitor and address your child's attainment. Special Educational Needs details may be included if it is applicable and deemed appropriate.

Processes are in place to ensure that the data will be transferred and processed securely.

## Tapestry Online Learning Journey – Foundation Stage Only

FCJ Foundation Stage classes use the Tapestry Online Learning Journey application to track and monitor the progress of your child during their time in FS. All our FS staff will be using Tapestry on their iPad to capture the learning as it happens and record observations and activities, directly linking these to the FS curriculum.

# PERIPATETIC MUSIC LESSONS FROM YEAR TWO

Once a year we hold a special Music Assembly to give children in KS2 the opportunity to listen to a range of musical instruments demonstrated by our peripatetic music teachers. We currently offer tuition on the following instruments: Flute, Recorder, Piano, Guitar, Ukulele, We also offer specific tuition in Music theory.

As well as learning the instrument, theoretical elements of music are also included. Lessons run on a weekly basis during term time and are on a rotational timetable so that children do not always miss the same lesson. We strongly advise that children only receive tuition on one instrument during school time.

The peripatetic music teachers will be your point of contact for lessons and will arrange all the administration. Lesson fees are charged per half hour and will need to be paid a term in advance, directly to the teacher. Lessons missed through absence, holidays taken during term time or school closure for circumstances such as snow, must be paid for. However, teachers will always try to make up any missed lessons where possible. If, at any time, you wish to discontinue lessons, a term's notice in writing is required.

Learning an instrument is a commitment and in order for your child to progress, it is important that children attend lessons every week. It will also be necessary for practice to take place at home. Little and often is a good approach, so 10-15 minutes a day would be beneficial. A written diary will be kept informing you of your child's progress and to indicate any areas to practice. There will also be space for you to record the amount of practice completed. You will need to purchase or hire your own instrument and music, but guidance will be given about what will be required. Opportunities to enter examinations or competitions, like the Eisteddfod, will be discussed when the children are ready and agreed with you before any entries are made.

FCJ offers a high standard of music making for its pupils both in and out of school and it is expected that those who receive instrumental tuition in school participate in our school music ensembles. As a musician, your child will gain a huge amount from making music with others as part of an ensemble. This experience also helps to build self-confidence, improves sight-reading skills and is very enjoyable!

If your child is interested in learning one of these instruments, please contact the school office. Please note that, for some instruments, there may be a waiting list.

# SCHOOL BUSES - CODE OF CONDUCT

Liberty Bus operates a shuttle service between FCJ and Wellington Road. This service is available only to KS2 pupils or KS1 children, if accompanied by an older sibling who accepts responsibility for them. Payment can be made on the bus or charge cards are available from Liberty Bus.

The bus has 29 seats and 15 standing places. The seats are not equipped with safety belts.

The buses are not supervised by adults, so it is important that:

- Pupils conduct themselves in a safe and sensible manner whilst on the bus.
- Children are required to stay seated while travelling on the bus and to talk quietly and sensibly to the child beside them.

However, due to an increase in children now using this service in the afternoon from FCJ, we need you to be aware that there may be times when there is standing room only.

## AFTERNOON JOURNEY ONLY (FCJ TO WELLINGTON HILL):

A bus contract is now required before your child uses the afternoon shuttle service from FCJ.

**Your child's place on the bus must be booked via ParentMail. If you have not booked a place for your child, she/he will not be allowed to take the bus and you will be called to come and collect him/her. We will not delay the bus while we call you, as some children have connecting buses to catch. Bookings close at 11:00 am on the day.**

Bookings can be made in advance but we would kindly ask that, in consideration of other users, you only book the days you need and if you no longer need the space you e-mail the school office with as much notice as possible so that we can make it available again. If the bus is fully booked, you must make alternative arrangements to collect your child from school at the usual time or book them into Extended Day Club.

Also, in order to minimise the impact on staff who are on bus duty, please ensure that your child is clear as to when they are taking the bus. If there is a last-minute change to the arrangements and your child no longer needs to take the bus, we respectfully ask that you e-mail the office as soon as possible, so that we can inform your child and his/her teacher of the change and ensure the bus is not delayed.

FCJ pupils who travel by bus, are allowed to bring a mobile telephone to school and leave it at the office until home time. Should there be any delays with the bus, they then have the

facility to contact you. They MUST NOT use the phone at any other time or for any other purpose.

If you wish your child to use this service, please sign a bus contract and return it to school before your child uses this service.

A bus contract is available from the School Office or can be downloaded from our website.

For up-to-date details, departure times and tickets, please contact Liberty Bus directly on 01534 828555 or visit their website: [www.libertybus.je](http://www.libertybus.je).

## WALKING CONTRACT

If your child is in KS2 and you would like him/her to walk home at the end of the school day, please read the following conditions, sign a walking contract and return it to school before your child is to start walking home:

- Please ensure that you have walked the route with your child, and you are satisfied that your child feels confident about walking home after school.
- It is important that your child understands that she/he must conduct themselves in a safe and sensible manner whilst walking home; they are representing the school.
- Please ensure your child knows which day/s she/he will be walking home.
- FCJ pupils who walk home after school are allowed to bring a mobile telephone to school and leave it at the office until home time, in case they need to communicate with you on their way home. They MUST NOT use the telephone at any other time or for any other purpose.
- Once a child has left school to walk home, they must not return to school that day, unless accompanied by an adult.
- We strongly advise that your child has reflective stickers or strips on their school bag and coat.

A walking contract is available from the school office or can be downloaded from our website.

# OFF-SITE RESIDENTIAL EDUCATIONAL

Residential trips are offered to years 4,5 and 6. These great experiences create long lasting memories for the children.

## SCHOOL OPEN DAY THURSDAY 13TH FEBRUARY 2025

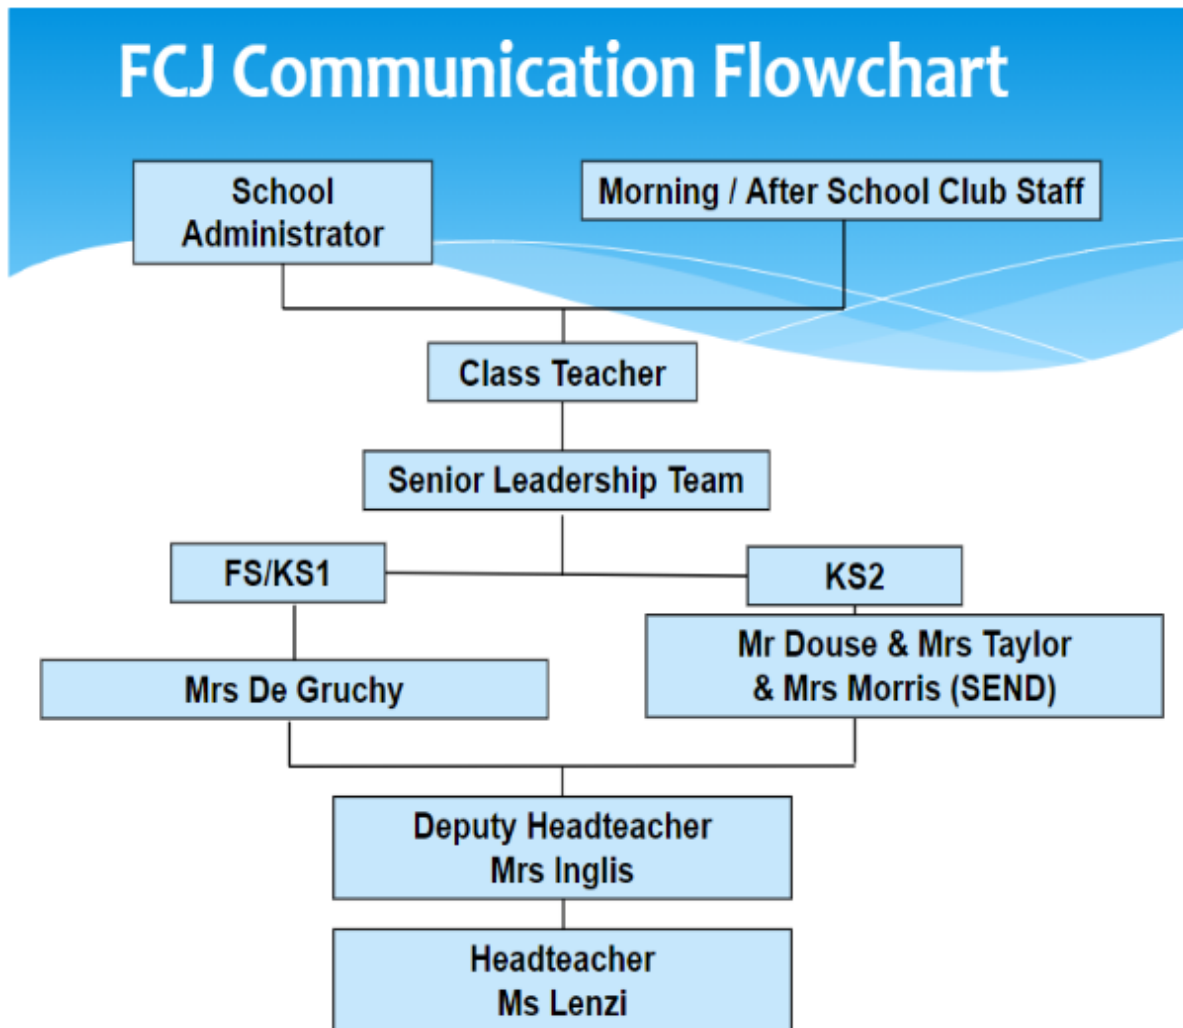

Our school Open Day is an opportunity for children to showcase their work and for you to come into school to view their progress. On Open Day the school is closed for learning, but all children are required to come into school with their parents to register with their class teacher and share their learning, school uniform is not required. The school is open as follows:

- 9:30 am to 12:00 pm
- 1:30 pm to 3:30 pm
- 6:00 pm to 7:30 pm

There is no need to book, please choose the session you prefer.

# LINES OF COMMUNICATION

If a parent is concerned about anything to do with the education that we are providing at our school, they should, in the first instance, discuss the matter with their child's class teacher. Most matters of concern can be dealt with in this way. All teachers work very hard to ensure that each child is happy at school, and is making good progress; they always want to know if there is a problem, so that they can take action before the problem seriously affects the child's progress.

# PARENT STAFF ASSOCIATION

FCJ School is blessed with an active, vibrant Parent Staff Association. New members are always encouraged and welcomed. Some parents feel they cannot commit to meetings but are very willing to help at PSA functions and fund-raising events. That too, is vital to the life of the school and is very much appreciated.

Being involved in the PSA is a wonderful opportunity to meet new parents; especially if you are new to the Island of Jersey.

## **The Main Objectives of the P.S.A.**

**‘To maintain and foster  
a close, friendly and co-operative relationship  
between parents and pupils of the school;  
the teaching staff and past pupils.’**

The Annual General Meeting is usually held in October and the specific date is published in advance. Parents are encouraged to come along and see what has been happening throughout the year.
