

# FCJ Primary School Data Report 2023-2024

Inspired by the Gospel and true to Marie Madeleine's founding ideal, our vision is that FCJ schools are communities of personal and academic excellence. FCJ Education: Our Vision and Values

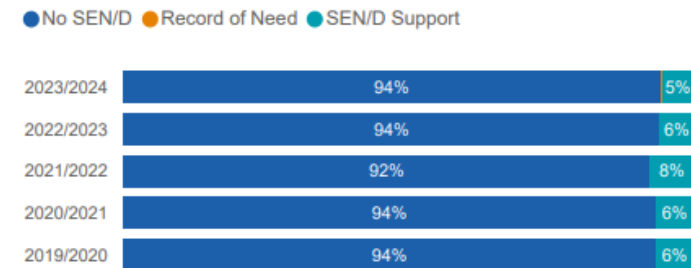

**% Gender – School**

**% Language - School**

**% SEN/D - School**

FCJ is a non-academically selective primary school, teaching children from the age of 3 to 12. At FCJ School we recognise the uniqueness of each individual and we learn to respect this as we prepare our children for life in the wider world. Our aim is to nurture and inspire our children to become their best selves, where outstanding teaching enables achievement and excellence for all. We do not forget that we are part of a process; we want our children to go on to the next stage of their education with a built-in desire and thirst for further learning experiences and opportunities.

## Attainment Summary

Under the assessment framework (2014), the terms 'Emerging', 'Developing' and 'Secure' are used to show the extent to which a pupil has understood and can apply what they have been taught at the end of each academic year, for pupils from Year 1 to Year 6. For most pupils, the assessment judgements will correspond with the curriculum objectives for the chronological year group that they are in. For example, a pupil in Year 2 may be assessed as 2 Emerging, 2 Developing or 2 Secure. Pupils assessed against curriculum objectives below their chronological year group are likely to have identified Special Educational Needs (SEN), or other significant barrier(s) to learning.
